8 CVS HEALTH CORPORATION, *et al.*,
9 Defendants.

Case No. 2:24-cv-01590-JCM-NJK

Order

[Docket Nos. 34, 35, 36]

10 On March 14, 2025, Plaintiff filed a motion to reopen and extend case management
11 deadlines. Docket No. 34. That motion gave the impression that it was unopposed. *See id.* at 2
12 (“While Defense counsel did not indicate any opposition to such an extension, counsel stated they
13 would not join a request to extend because they believed such a request was futile given the lack
14 of discovery to date” (emphasis added)). Based on that understanding, the Court granted the
15 motion as a courtesy. Docket No. 35. Defendants have since filed a motion for reconsideration
16 indicating that they in fact oppose the motion to reopen and extend. Docket No. 36.

17 In light of the circumstances, the Court **VACATES** the order granting the motion to extend.
18 Docket No. 35. The Court will treat the motion for reconsideration (Docket No. 36) as a response
19 in opposition to the motion to extend. Plaintiff must file a reply by April 1, 2025.

20 In light of this order, the Clerk’s Office is **INSTRUCTED** to reactivate the motion to
21 reopen and extend (Docket No. 34) and to terminate the motion for reconsideration (Docket No.
22 36).

23 IT IS SO ORDERED.
